Dr. Burress and Dr. O'Leary-

Thank you for the opportunity to speak with you regarding our occupational health and safety activities on 2/11/2010.

Per our talks, here is follow-up info about

-where we obtain our employees' occ health services currently  
-BLS employees who are enrolled in our RPP and the devices assigned

Per our talk about assessing employees for what services they need for their job,  
I am working on a listing of all our BLS employees, their positions and where assigned.  
Should have that for you shortly.

Thank you.....kathy
